NOVA SCOTIA—ABSTRACT OF COLLECTION LAWS, ETC.

AFFIDAVITS.—For use in respective Courts when taken outside the Province may be sworn before:

(a) A Commissioner authorized by the Laws of Nova Scotia to take such affidavits; (b) A Notary Public who shall certify under his hand and official seal; (c) A Judge of any Court of Record in any colony of Great Britain or in any foreign country; (d) The Mayor or Chief Magistrate of any City or Town corporate in Great Britain or Ireland, or any colony, or any foreign country certified under the common seal of such City or Town corporate, or (e) A Consul or consular agent of his Majesty, exercising his functions in any foreign place, or any person acting as such. Similar affidavits sworn to within the Province may be sworn before the Justice entitled to preside in the respective Court, and before Commissioners of the Supreme Court, and in special cases before a Barrister or Justice of the Peace.

ARREST FOR DEBT.—Under execution on judgments was abolished by the Acts of Nova Scotia 1894, in the Supreme, County, Probate, City, Civil, Stipendiary Magistrates, Justice, or Justices' Courts of the Province, but provision was thereby made for the examination of debtors against whom execution had issued, by commissioners who have power

to commit a debtor to prison for a term not exceeding 12 months in case of fraudulent contraction of debt, or fraudulent disposition of property or wilful and malicious tort. Capias can issue in the first instance for the arrest of persons about to leave the jurisdiction, and also in the first instance in the Supreme Court in amounts of \$20 and upwards, in the County Court in debt of \$20 to \$800 and in damages up to \$400, and in Magistrates' courts from \$4 to \$80.

ASSIGNMENTS.—Until the passing of the Act, N. S., 61 Vic., Chap. 11, R. S., 1900, Chap. 145 a debtor could make an assignment by deed to trustees for the benefit of his creditors, giving preferences if he so desired. By this Act, which came into effect July 1st, 1898, no person being at the time in insolvent circumstances, or unable to pay his debts in full, is allowed to give any preferences either by concession of judgment or otherwise, and such preferences are null and void against the creditors of the party giving the same. The act is very similar to that in force in the Province of Ontario, and in the abstract of the assignment and collection laws in force in said Province of Ontario a very full and careful synopsis of the same may be found.

ATTACHMENTS.—Attachments of property are allowable only (1) In suits against

absent or absconding debtors. (2) In suits against foreign companies doing business within the Province.

BILLS OF SALE OR CHATTEL MORTGAGES.—Are governed by the provisions of Chap. 142 of the Revised Statutes 1900. and must be filed and renewal statement also filed every 8 years to make them operative against third parties, in the office of the Registrar of Deeds for the registration district in which the grantor, if a resident of Nova Scotia, resides at the time of the execution thereof, or if he is not a resident of Nova Scotia then in the Registry of Deeds for the district where the goods are deposited, and must be accompanied by an affidavit of *bona fides*, etc. in the statutory form. The same applies also to chattel mortgages and bills of sale to cover future acquired property.

CLAIMS AGAINST ESTATES OF DECEASED PERSONS.—Should be proved by affidavit which shall be sworn by the claimant or in his absence from the Province by his agent, before the Registrar or Probate, a Commissioner, or a Justice of the Peace. Such claims should be presented within one year from the date of the granting of letters of probate or administration, and if it is desired to prevent the operation of the Statute of Limitations, the creditor should file a copy of his claim with the Registrar of the Probate Court by which such letters of probate or administration were granted.

COMMISSIONS TO TAKE TESTIMONY.—Orders to take evidence by commission may be obtained from any of our courts, except of those of justices of the peace and stipendiary magistrates.

CONDITIONAL SALES.—Contracts for hiring, lease, bailment or bargain for the sale of personal chattels accompanied by an immediate change of delivery where the property in the personal chattels or in the case of a bargain for sale that a lien for the price or any part of it shall remain in the person letting to hire, the lessor, bailor, or bargainor until payment in full, shall be in writing showing the terms of the agreement and be signed by the person to whom such personal chattels are hired, the lessee, bailee, bargainee or his duly authorized agent and shall have printed thereon in the post-office address of the person letting to hire, lessor, bailor, or bargainor, and within ten days after delivery of such chattels a true copy of such instrument in writing must be filed in the registry of deeds for the registration district in which the person to whom such personal chattels are hired, the lessee, bailee or bargainee resides at the time of the execution thereof, and shall be accompanied by an affidavit of *bona fides*. If a copy of said instrument is not so filed within the time mentioned, the person letting to hire, lessor, bailor or bargainor is not protected against judgment creditors, purchasers and mortgages of the person to whom such personal chattels are hired of the lessee, of the bailee, or the bargainee. The provisions of the act extend to contracts made outside the Province of Nova Scotia.

CONTRACTS OF MARRIED WOMEN.—Married women are liable to the extent of their separate estate for all contracts. They are liable for antenuptial debts to the extent of their estate. Unless a married woman before engaging in trade files her husband's consent under the provisions of Section 18 of Chap. 112, R. S. 1900, all her property employed in such trade may be taken in execution against her husband.

DEEDS AND MORTGAGES.—When executed in the Province must be witnessed by one witness at least. Before the instrument can be recorded the witness must make oath

that the grantor signed the same in his presence, or the parties executing must acknowledge under oath the execution thereof. This oath can be administered by a justice of the peace, a notary public, the registrar of deeds for the district where the land lies, a barrister of the Supreme Court, or a judge thereof. Deeds and mortgages may be proved out of the Province, as well in foreign countries as in the British Dominions, by the oath of a subscribing witness, to be administered by commissioner appointed to take affidavits out of the Province, by a judge of any court of record, a mayor or recorder of any city, or a notary public, who shall certify to the attestation. If the proof is to be made in a foreign country, any public minister, ambassador, consul or vice-consul from the Court of Great Britain may administer such oath. To make deeds, mortgages, grants, attachments or judgments effective against lands they must be recorded in the registry of deeds for the district wherein the lands lie, or they will be void against purchasers for value and without notice who shall first record their instruments. Deeds and mortgages of married women must comply with the provisions of Chap. 113 of the Revised Statutes of Nova Scotia, 1900.

EXECUTION.—Execution upon a judgment for payment of money or costs can issue immediately after judgment, unless expressly otherwise ordered by the court or judge. Execution can only be stayed by order of the court upon grounds satisfactory to the court. Writ of execution is good in Supreme and County Courts for one year if not carried out, and it may be renewed at expiration of the year, or a new execution issued.

EXEMPTIONS.—The necessary wearing apparel, beds, bedding and bedsteads of debtor and his family, stove and pipe therefor, crane and appendages, pair andirons, set cooking utensils, pair tongs, six knives, six forks, six plates, six saucers, one shovel, one table, six chairs, one milk jug, one tea pot, six spoons, one spinning wheel, one weaving loom, if in ordinary domestic use, ten volumes of religious books, one water bucket, axe, saw, such fishing nets as are in common use, not exceeding in value \$20, all necessary fuel, meat, fish, flour and vegetables for family use, enough for thirty days' consumption and not exceeding in value \$40, cow, two sheep, and hay and food therefor for thirty days, tools and implements of or chattels ordinarily used in the debtor's occupation to the value of \$30. No real estate.

GARNISHEE.—After recovery of a judgment in the Supreme or County Court the judgment creditor may attach any debts owing or accruing from any person or persons to the judgment debtor, and service of an order of a judge on any such person or persons called the Garnishee shall bind such debts in the hands of such garnishee, but no wages of any servant, laborer, or workman shall be attached unless the amount of such wages exceeds forty dollars, and such attachment shall only bind the surplus of such wages over and above the sum of forty dollars.

HOLIDAYS.—In all matters relating to bills of exchange the following are legal holidays: Sundays, New Year's Day, Good Friday, Easter Monday, Christmas Day and Labor Day; also any day appointed a public holiday by the Governor, or by a statute. When the last day of grace falls on a holiday, the next day shall be the last day of grace. The same law applies to presentation of bills of exchange and promissory notes.

INTEREST.—Interest cannot be charged on open accounts, except by a valid agreement, or an established course of dealing in which it has been paid or acknowledged by debtor.

JUDGMENTS.—Judgments may be obtained during the vacation of court when suits undefended, as well as at other times. They can be obtained in ten days after service when the defendant resides in any part of Nova Scotia. When the defendant resides out of the Province judgment may be entered on the expiration of the time allowed defendant to appear, which is limited by the court. Judgments are good for twenty years from their date.

JURISDICTION OF COURTS.—Supreme Court has jurisdiction downwards to \$20, in all matters of contract. County Court has jurisdiction in all matters of contract and tort where the amount claimed is not less than \$20 nor more than \$800 in contracts and \$400 in tort. Justices courts have jurisdiction in all matters *ex contractu* up to \$60.

LIMITATION OF ACTIONS.—Actions for trespass in assault, battery, wounding or imprisonment, and all actions of slander or libel, must be brought within one year. Actions in trespass to lands, assumpsit, detinue, trover replevin, debt founded on any contract, express or implied without specialty, for rent account and on the case, within six years. Actions to enforce judgments, or lien, or mortgages or otherwise chargeable on any land, or rent, or any legacy, and actions on any deed, covenant or instrument under seal or to recover land, shall be brought within 20 years. Acknowledgment in writing or part payment will extend the period of limitation.

MECHANICS' LIENS.—Mechanics unless they sign an express agreement to the contrary may have a lien for work and material furnished in the construction, alteration or repair of any building, erection, road, railway, wharf, bridge, mine, pavement or sewer upon the property with respect to which any work was done or materials furnished. If the lien is claimed by a sub-contractor, the amount claimed in respect to the lien is limited to the amount payable to the contractor. In cases where the estate charged by the lien is a leasehold the fee simple may also be charged with consent of the owner of the fee simple. Unregistered liens cease after thirty days from the furnishing of the goods or labor unless proceedings are instituted to realize claim. Registered liens cease after ninety days from date of goods or labor last furnished, unless proceedings are taken. Claims may be sued for in County Courts. Proceedings are begun by filing a statement of claim verified by affidavit in the office of prothonotary or clerk and writ of summons. In default of payment of amount sued for property may be sold. The lien holder's right of lien passes to the legal representative of the lien holder.

PARTNERSHIPS.—All persons associated in partnership for trading, manufacturing or mining purposes, and every person who is engaged in any such business and uses as his business style some name or designation other than his own name, or uses his own name with the addition of the words "and Company" or some other word or phrase indicating a plurality of members in the firm, are required to file, in the Registry of Deeds for the registration district in which the business is carried on, a declaration in writing containing the name, surname, addition and residence of each of such partners or of the persons so carrying on

business under said firm name or style and the firm name or style under which the business is carried on or intended to be carried on, and such declaration is required to be filed in such registry of deeds within three months next after the formation of such partnership or the date when such firm name or style was first used.

Limited Partnerships.—Provision is also made by the laws of Nova Scotia for the formation of limited partnerships for the transaction of business, with the exception of a banking or insurance business. Such partnerships may consist of one or more persons or general partners, who shall have the full usual responsibility of general partners and of one or more partners who shall contribute in actual cash payment a specific sum as capital, called special partners, and such special partners shall not be liable for the debts of the partnership beyond the fund so contributed by them to the capital except in certain cases specifically provided for. Persons desirous of forming such partnerships are required to make and severally sign a certificate containing particulars of the names of the firm, the nature of the business, the names of the partners, their places of residence, the amount of capital which each partner has contributed, and the period at which the partnership is to commence, and at which it will terminate. Such certificate must be proved and filed in the office of the Registrar of Deeds for the registration district where the principal place of business of the partnership is situate. The certificate must also be verified under oath, which affidavit of verification must be filed at the same time in the Registry of Deeds and publication of the terms of such partnership must be made in the *Royal Gazette* and one other newspaper published in Halifax and by hand bills posted up in the places in which the business of the partnership is carried on.

VERIFICATION OF CONTRACTS.—This is unnecessary.

WILLS.—Cannot be legally made by persons under 21 years of age. A married woman can make a will without her husband's consent. All wills must be in writing and signed by the testator, or by some one duly deputed in his presence to make the signature at the foot of will. The due execution thereof must be acknowledged in the presence of two or more witnesses, who, in the presence of testator and of each other, subscribe the instrument as witnesses. Marriage revokes a will, except when made by virtue of a power of appointment, or where it is declared in the will that same is made in contemplation of marriage, or where the husband or wife of testator elects to take under such will by instrument in writing executed and filed in Probate Court within a year after testator's death, but a change of residence does not. A will only speaks from the death of the testator. Estates are liable to succession duties to amounts fixed by statute, which are changed from time to time by the Legislature.

COMMERCIAL TRAVELERS' LICENSE LAWS.

In Halifax and several towns of the Province there is a law requiring licenses, but it is never enforced now.
